Judged by Jennifer Lawyer

Don't miss these beautiful and colorfully diverse little birds strut their stuff on high top tables!

Rules and Regulations

Any bird showing signs of sickness or disease will be removed from the show
Early coop out is prohibited. Anyone cooping out before awards are presented will forfeit all prizes and may be subjected to refusal of future entries
The club is not responsible for loss, accident or other damages to you, your property or your entries
Classes will be cock, hen, cockerel, pullet
The poultry barn will be open at **7A.M.** on Sunday to receive entries; all entries must be cooped in by **9 A.M.** The barn will be open on Saturday from 3:00pm – 5:00pm to accept birds. If you arrive before 3:00pm, you will likely need to wait for our volunteers to finish setting up the show. If you arrive after 5:00pm, you will likely find a locked gate at the fairgrounds entrance.
Initial shavings will be in cages, bring your own if you feel you will need more.
All birds must have permanent Identification.

Health Requirements

Connecticut

WATERFOWL: Unfortunately, due to Avian Influenza, the State of Connecticut does not allow waterfowl to be shown this year.

LANDFOWL: Poultry originating within the state must come from healthy flocks with no evidence of infectious, contagious and/or communicable diseases. All birds must be inspected, identified and be accompanied by written proof (Connecticut Flock Test card or Connecticut Veterinary Medical Diagnostic Laboratory Report) that verifies that the breeding flock or the individual birds listed on the report were blood-test negative for *Salmonella pullorum* within 365 days of the show date. Concurrent Avian Influenza testing of the flock and/or individual birds is strongly recommended. Poultry vaccinated within 30 days with any live virus vaccine will be prohibited from showing. All cages, crates or vehicles used for housing or transporting poultry must be cleaned and disinfected before and after each show. **Doves, pigeons and waterfowl are exempt from testing but must be identified by leg bands or wing tags.**

Out of State

POULTRY: All poultry must be identified and test negative for *Salmonella pullorum* within 12 months of show date and be accompanied by the certificate. All poultry must comply with Department of Agriculture Avian Influenza requirements by originating from AI-free flocks or be tested for AI within 30 days of entry and have a certificate. No poultry from any areas of any state having Avian Influenza may enter Connecticut. Poultry vaccinated within 30 days with any live virus vaccine will be prohibited from showing. All cages, crates or vehicles used for housing or transporting poultry must be cleaned and disinfected before and after each show. **Doves, pigeons and waterfowl are exempt from testing but must be identified by leg bands or wing tags.**
